ABOUT SHSMUN'22

The Sacred Heart Senior Secondary School, Chandigarh, is conducting its second edition of the SHS Model United Nations Conference. The conference will center on fortifying our dedication to a moral cause and bringing about a sustainable future. It will support academic and intellectual research together with worldwide networking, carrying on the heritage of excellence.

In January 2022, Sacred Heart Sr. Sec. School in association with Aspirant Learning (Regd. as A.I.I. Learning Foundation), organised a Model United Nations under the Sustainable Development Goals Summit 2022 which was a huge success, attracting delegates from all over the country. This time, Sacred Heart School along with Aspirant Learning is holding the inaugural conference.

An executive board with extensive knowledge and inclusivity would be present at this conference. By gathering to discuss the world's problems with a focus on peacekeeping and health, we hope to bring the participant's knowledge of global concerns together and present it to a gathering of other global thinkers.

The goal of the Sacred Heart School Model UN conference is to encourage a positive, welcoming learning atmosphere for both newbies and seasoned participants. It will be affiliated with Aspirant Learning, the country's fastest-growing educational enterprise, just like the Sustainable Development Goals Summit 2022, making it a unique national conference.

MESSAGE FROM THE PRINCIPAL

Regy Joseph (Sr. Arti)

1 Timothy 4:12 says, “Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.”

A famous quote from Franklin D. Roosevelt goes like this, " We cannot always build the future for our youth but we can build our youth for the future". The SHS Model United Nations, 2022 is a step forward in that direction. Some of the skills that young leaders need for the 21st century are self-awareness, deep listening and conflict management. Model United Nations serves as a platform for the youth to polish their skills and work towards global peace and mutual cooperation.

Today, the world desires a young brigade of dynamic, empowered, equipped, value-oriented, enlightened leaders, pacifists and policymakers who can engage themselves fruitfully in pulling the society, nation and globe out of the quagmire of raging conflicts; eternal disputes, digressions, tensions, wars and reconstruct the world order based on the foundational idea of inclusion, peaceful dialogue, respect for diverse opinions and mutual understanding.

The youth is rising and building a new future – they see the truth of Mahatma Gandhi's words – “We must become the change we want to see in the world” – even as they obey their heart, follow their dreams and beat their own trail. Therefore we must provide the youth with a plethora of opportunities that will help them become the change-makers of today and tomorrow.

We open-heartedly welcome you all to the second edition of SHS MUN and hope that students participate in overwhelming numbers. We believe the active participation and engagement of delegates in the conference shall lend a Midas touch to the new learning experience and conscientious endeavours and leave an inspiring influence on posterity

With the blessings of God, we hope that this conference will be Sacred Heart's chef-d'oeuvre.

Ms. Jasmine Gill
Faculty In-charge

At SHS, we believe in shaping the leaders of tomorrow by providing them with a platform to learn beyond conventional education. SHSMUN is an initiative by the Prayas Club of Sacred Heart Sr. Sec. School to promote dialogue around essential international issues and train students to master the art of diplomacy, negotiation, and debate. We hope that the young leaders who attend this conference will be inspired to participate in discussions and gain confidence, leadership skills, and knowledge through experience. I am sure that this MUN will help our students become better leaders while also helping them improve their skills in public speaking, researching, and problem-solving.

SHSMUN 2022 will witness the participation of around 50 institutions across the country and more than 400 students who will make an attempt towards becoming better global citizens by addressing the pertinent agendas relevant to the world we live in today. We invite you to come and be a part of this wonderful endeavour.

Ms. Renu Sahani
Faculty In-charge

It is my utmost honour to welcome you all to the second edition of the SHSMUN Conference organised by Sacred Heart Sr. Sec. School Chandigarh on the 15th and 16th of October, 2022.

This MUN Conference is a move on our part to redirect our focus to a conference that encourages a free exchange of ideas and provides students with a platform to discuss the most challenging issues that our world faces today. This MUN is a wonderful platform to address, discuss, and deliberate international agendas through 8 wonderful committees. We intend to create individuals who are sensitive to the changing global scenario and are willing to access their citizenship to become the confident future leaders of tomorrow by exploring the quintessential skills of debating, research, and analysis.

Mr. Priyanshu Grover
Conference Director | Chief Advisor
President & CEO, Aspirant Learning

I am extremely thrilled for the second edition of the Sacred Heart School Model United Nations for having given me the opportunity to serve as the Conference Director for SHSMUNC 2022. It gives us immense joy to provide students with a forum to discuss, negotiate, and ponder on matters of critical relevance.

The aim of SHSMUNC 2022 is to present and discuss the extraordinarily lofty ideals of actuality, where every issue requires a degree of complexity and deductive thinking that textbooks don't provide.

We warmly invite all the students to the conference, where they will share their unique perspectives on issues of global significance while learning more about the catastrophe the world is now experiencing.

Mr. Adarsh Kumar Singh
Convenor | Chief Advisor
COO, Aspirant Learning

I am extremely delighted to welcome you all to the SHSMUNC 2022. It is important to actively engage in activities that will help resolve the world's pressing problems, not only to be aware of them.

The SHSMUNC 2022, an outstanding initiative by Sacred Heart Senior Secondary School, strives to create the sort of awareness necessary for the development of knowledge. With hot-button issues at the center of the discussions, we anticipate maximum participation to build alliances that will yield an effective approach. There will always be more to talk about the subject, but I welcome you all to the Conference.
